

# VO Group 2023 Impacts Report

---

Feb.2024

## 01. Project details

---

## Project's information :

Program : **Qori Q'oncha** (POA GS 1005)

Project : **VPA2** (GS1049)

Country : **Peru**

Crediting Period (CP) : 2<sup>nd</sup>

Monitoring Period (MP) : 2<sup>nd</sup> (04/12/2017-07/06/2021)

Technology : **ICS** (Improved Cookstoves)

Methodology : **TPDDTEC** (*Technologies and Practices to Displace Decentralized Thermal Energy Consumption*).

Certification : **Gold Standard**

**Gold Standard**  
for the **Global Goals**

Project developer : **Microsol**

Local Project Participant : **ITYF**

# VPA2 (GS1049)

Project activities take place in three regions:

- The Cajamarca region on the north Pacific Coast;
- The Huancavelica region on central mountainous area;
- The Piura region on the north Pacific Coast.

PoA : Qori Q'oncha (GS1005) – Peru

VPA : VPA2 (GS1049)

Regions : Cajamarca, Huancavelica, Piura

## 02. VO GROUP Impacts

---

## Monitored Impacts :

VPA2 (1049)	tCO2eq (VERs)	Beneficiaries	Installed and used ICS	Tons of woods saved
<i>Total 2nd MP (2 years)</i>	362 126	184 624	43 736 <i>(48 595 installed)*</i>	154 845
<b>VO Group (2023)</b>	<b>913</b>	<b>465</b>	<b>123</b>	<b>390</b>

\* usage rate : 90%

# SDG 2<sup>nd</sup> MP VPA2:

## SUSTAINABLE DEVELOPMENT GOALS

1 NO POVERTY

184 624 beneficiaries.

3 GOOD HEALTH AND WELL-BEING

100% of households considering cough occurs less often or not at all.

4 QUALITY EDUCATION

97.73% of children having more time to do their school homework.

7 AFFORDABLE AND CLEAN ENERGY

43 736 ICS installed and used.

8 DECENT WORK AND ECONOMIC GROWTH

8 permanent job positions created.\*

*\*employing local people with a minimum participation rate in the ICS project of 50%.*

13 CLIMATE ACTION

362 126 tCO2e reduced.

15 LIFE ON LAND

154 845 tons of wood saved by the project by year.

# SDG VO GROUP :

**1** NO POVERTY

465 beneficiaries.

**3** GOOD HEALTH AND WELL-BEING

100% of households considering cough occurs less often or not at all.

**4** QUALITY EDUCATION

97.73% of children having more time to do their school homework.

**7** AFFORDABLE AND CLEAN ENERGY

123 ICS installed and used.

**8** DECENT WORK AND ECONOMIC GROWTH

8 permanent job positions created.\*

*\*employing local people with a minimum participation rate in the ICS project of 50%.*

**13** CLIMATE ACTION

913 tCO2e reduced.

**15** LIFE ON LAND

390 tons of wood saved by the project by year.
